## DAHLIA LIST, FALL 1944.

J. D. ENGLE,  
SALEM, W. VA.

DEAR DAHLIA FRIEND:

Owing to the dry weather a lot of my dahlias did not make clumps as good as I like to send out. Therefore this list is much shorter than I expected it to be. I am only listing the ones that have, what I consider, good clumps that will keep well. These are potash fed dahlias, good strong clumps, with not less than three good divisions.

Satisfaction guaranteed, but all complaints about clumps must be made within ten days.

ARACOMA -ID -(9x5 But has been grown much larger.)  
Oxblood red, tyrian rose reverse. Certificate of Merrit from Georgia. Tall grower and good bloomer. Very attractive. Clumps \$2.00

ENGLE'S WHITE CHIEF - On the West Coast and Mid-West Honor Roll for 1943. The season of 1942 it scored 84 at Canyon, Texas, and scored 87 at Huntington, W. Va. A white formal decorative, sometimes leaning to the informal, which has been grown, without forcing, over 12x6, with good dark green foliage. The center stem is short with dark green leaves coming out behind the flower which makes it very attractive. The side stems are long. The best root maker and keeper of any large dahlia I have ever raised. "A dahlia the visitors all want." Good clumps, each \$6.00; Two \$10.00: Three \$13.50.

IVORY PRINCESS-SC-Immense ivory, 1942 Clump - \$4.00

VIRGINIA RUTE-SC- Very large, dark red. Clump \$1.50

WORLD EVENT-On all three Honor Rolls for 1943. Very large rose pink. The finest pink I have ever raised. I raised it without forcing, 12x8. Good clump \$7.50

YOUR LUCKY STAR-SC-Large lavender pink, whit center \$1.00
